Re: Fall racing

Dear Sailors,

I hope things have been going well for you this fall, as far as sailing goes the team has been doing very well. This current racing season has brought us the best talent ever seen here at the University. The sailors have chalked up a very respectable 1,1,1,3 series out of 4 regattas participated in, completely dominating our division of SAISA. Things look to be even better in the future as our depth will aid in regatta competition. I would like to congratulate and thank the people that have sailed so far, they have done an outstanding job, and for those of you who would like to sail please give me a call expressing your interest and availability. In particular those that have sailed and won for us - Starr Winmill, 1st CNC B, 2nd Clemson B and Andy Hort her crew; Charlie Altrueder, 3rd CNC A with Ben Hagood and 4th Clemson A; Mark Anstey and his crew James Anderson, 1st UNC A; John Dick and Charlie Krafft, 2nd UNC B; Geoff Nicholson and Charlie Krafft, 1st Duke B; Bill Ball and Preston Loving, 3rd Duke B. There are still numerous other people that I know would like to sail and they will in the near future.

This weekend we will be hosting our annual

Fall Invitational regatta. If you would like to help please let me know, it starts at 9:30.

At the present time I am looking for some people to help with the Intramural racing to begin in a few weeks. This would involve setting up the series and administration of it. Again, please let me know if you are interested.

As far as the future goes we are presently planning to win the championships and go to the Sugar Bowl in New Orleans. In the Spring we hope to get an invitation to the Kennedy cup in Annapolis.
