

Spring 1976

U.VA. SAILING ASSOCIATION

----- NEWSLETTER -----

Election Meeting-----8:00 PM Wednesday (March 3) night!!!!

The 1976 officers (Comm., Vice Comm., Sec-Treas.) will be elected at an important general meeting Wednesday night at 8:00 in Room 4A of Newcomb Hall. Other important matters will also be discussed and everyone is encouraged to come and vote.

Other topics which will be discussed include the upcoming U.Va. regatta and party (see below), the 1976 racing season, and some new pleasure sailing policies. It is important to attend-- the new officers will be spending your money next year!

Those interested in intercollegiate racing are especially requested to attend. Our 1976 regatta schedule has been substantially changed from what was previously published and new copies will be given out. Also, plans must be made for the O.D.U. regatta on March 13 (this regatta counts toward the championships and sailors are needed!) Finally, a large racing team attendance will help the new team captain (Vice Commodore) to get organized for the season.

U. Va. Spring Regatta and party-----March 20 (Saturday)

The UVaSA's Spring Regatta is Saturday, March 20, and will be followed by a keg party at Bill Ball's (yours truly) house at 204 Stribling Ave. Everyone is welcome--in fact, encouraged-- to come out to Lake Monticello and spectate and/or help out. Everyone is also welcome to the party whether they make it to the lake or not. The regatta is a qualifying regatta for the championships and the following schools are expected: Duke, U.N.C., Davidson, N.C. State, Christopher Newport College. Some of the visiting sailors will be spending Saturday night here and will be at the party as well. We hope to have beer, munchies, mixers, music, etc. and it should be good. At any rate it's free, so make it. (P.S.--maps to the party will be at the election meeting)

1976 SAISA Meeting

Tim Molony and I attended the 1976 South Atlantic Intercollegiate Sailing Assoc.'s annual meeting on Feb. 7. The meeting was at the Citadel in Charleston, S.C. and a number of important changes were made, which will be discussed at the election meeting. Our fearless V.C., Tim Molony, was elected Vice Pres. of SAISA, so maybe the northern division schools will get a little more influence for a change.

Club Purchases

We have purchased three new suits of sails at \$150.00 each which should be here in time for the regatta. We are also working on getting some new centerboard gaskets put on the boats.

Found

A small silver bracelet was found in one of the boats--if you lost it, come to the meeting Wed. night and pick it up.
