IMPORTANT Spring Meeting is March 21st

Spring elections

On Tuesday, February 28, the following were elected officers for the upcoming year.

<u>Commodore</u>	Charlie Krafft	295--1530
<u>Vice-Commodore</u>	Charlie Altreuter	293-5701
<u>Treasurer</u>	John Dick	295-1249
<u>Secretary</u>	Terry Portu	295-8084

This new team is eagerly looking forward to a successful spring sailing season. If you want info, have info, or just want to relate anything pertaining to the sailing club, please feel free to call one of the officers.

SAISA Meeting

John Dick, Starr Winmill, and Charlie Krafft attended the annual SAISA meeting held at Duke University on Midwinters weekend. New standards for running regattas were discussed and a new regatta schedule was worked out. John Dick was unanimously elected President. John had previously served as Publicity and Records chairmen. With John in this key position, Virginia can look forward to a better representation in this important organization.

Spring Sailing

As soon as the weather permits, the boats will be put in the lake. This unusually cold, and snowy spring has kept the boats dry-docked. Beginners lessons will begin as soon as we are unable to walk on the lake. Our regatta was scheduled for March 10th.

Be sure to come to the general orientation meeting on March 21st, at 7:30 in the Newcomb Hall Ballroom. Membership renewals will be available, beginners class schedules will be worked out, and the spring racing schedule will be handed out. Come sign up for Spring sailing !!!

New Policies

Due to a cut back in Student Council allocations, the sailing club will have to take a closer look at its spending. The major area affected will be racing team, as we must cut our travel budget. Boat maintenance and repair will receive high priority. In addition, the club is hoping to purchase a single-hand boat if the funding is approved.

A new membership list will be sent out after the meeting on the 21st.

Women's Sailing The SAISA women's eliminations will be held here on April 8th.
