NEWSLETTER

This is the second newsletter we have written this year. We hope it answers any questions you may have. If not, please call Neele, Peter, Judy, Terry, or Alan.

PARTY--Sailing Club Social Gathering in garden of Pavilion I. (the Pavilion closest to the Chapel) after the Duke game on Saturday. 4:00-6:00 Cocktails for members and their friends.

BEGINNERS LESSONS--So far, interest in beginner lessons has been tremendous. We have been meeting at M&M Gym every Wednesday and Friday at 2:15 and going out to the Lake for beginner lessons. Thank you to everyone who helps us teach these lessons. You've been doing a great job and we hope you will continue to teach. The sailing club needs you to survive.

MAINTENANCE--Keeping the boats in shape is becoming too big a job for the officers to handle. We need help! Everyone can help a little bit by taking good care of the equipment when you go out sailing. If anything needs repairing, call us right away. Also, if anyone knows how to repair boats and would be willing to donate some of their time, please call us soon. We would like to have one qualified person take charge of each boat and keep that boat in order. Trying to check up on all the boats and fixing them constantly is more than we can handle. Call Alan at 295-8857 if you want to help.

HARBOR SITUATION--Recently, the authorities at the Lake have decided that we cannot have dock space until Oct. 1. Until then the boats are tied up in the cove. (through the woods to the right of the docks when you are looking out at the lake)

RULE REMINDER--We are guests at Lake Monticello and if we are to continue sailing there REMEMBER:

- 1) Take your trash with you when you leave.
- 2) No alcoholic beverages. This includes beer.
- 3) Be polite to the residents, the officials, and the Lake Patrol.
- 4) Members must bring their cards to get into the lake and each member is allowed only one guest.

RACING NEWS--The weekend of Oct. 6 we are planning to sail in two regattas, our first two of the season. One is a points regatta at Davidson and the other is the Co-ed regatta at Annapolis. Anyone who is interested should call Peter Gambel at 296-9865 or write to us at Box 506, Newcomb Hall.

GOOD NEWS--We are in the process of ordering a new Coronado 15. Unfortunately, we will not have it in time to use this semester, but it will be ready to sail in the spring.

PLEASE, IF YOU BREAK ANYTHING AT THE LAKE, CALL US SO WE CAN FIX IT!

WE NEED GALLON MILK CONTAINERS-PLASTIC. IF YOU HAVE ANY WE WOULD REALLY LIKE THEM (When they are fastened to the top of the mast and the boat goes over, they prevent the boat from turtling very quickly.)
