

UNIVERSITY OF VIRGINIA SAILING ASSOCIATION

NEWCOMB HALL

CHARLOTTESVILLE, VIRGINIA 22901

September 22, 1980

From: Commodore--Alan Marrullier

To: All UVASA members

Well folks, by the time you get this our boats should all be in the water. Thanks for coming to the meeting Tuesday night, I hope that you all liked the movie. Enclosed you will find your membership card which will get you past the lake security. Also enclosed is a membership list so that you may get your own group together to go sailing. If there are any mistakes on these two items please inform us as soon as possible.

*****First sailing lesson this Friday. All beginners and instructors are invited*****

Annapolis Boat Show: People planning to go to the Annapolis Boat show please give me a call so that we know how many are going. This is going to be the best boat show on the east coast. I've got some discount coupons available. Date: Oct. 10th or 11th.

Chesapeake Bay Cruise: There are still spaces available on our week-end cruise on the bay--but only a few. \$100.00 will give you three days of great fall cruising (food, brew and transportation inc.). \$25.00 will reserve your space. Date: Fri.-Sun. Oct. 24-26. Call me at: 924 4880.

Instructors: Those of you interested in instructing on a regular basis, I would like to meet with you on Monday, Sept. 29, at 8:00pm in room 110 of Monroe Hall (Comm School). We're going to try and coordinate our instruction program. Meeting will be short.

Beginners: A few sheets covering basic sailing will be available to you; however, if you wish to have the book from which this

information was taken (I recommend it), we can order it for you. A check for \$4.00, mailed to us by the end of next week will get you a copy.

T-Shirts: Are on their way.

Motor Boat: Progress has been made!! Provided we get liability insurance for the club, Lake Monticello will not require us to use our motor boat. For the time being, however, sailing on Tuesday, Thursday and the weekend will require a special effort on your part to ensure that the boat is on the water. Anyone needing instruction in the use of the outboard please ask an officer.

Membership Forms: Got a friend who didn't make the meeting, but who wants to join? Application forms will be available in my mailbox (Alan Marrullier) at the Comm School, Monroe Hall. Mail boxes are in the student lounge.

Ragatta Results: Sailing against a full fleet of seven schools this past weekend, UVASA sailors pulled in fourth at Davidson. Good effort--we'll get them next time.
