Fall Newsletter

October 20, 1980

Hello everyone! Hope your semester is going well and you've enjoyed sailing so far. This newsletter is to tell you about some upcoming activities and some changes for sailing at Lake Monticello.

Sailing:

There will no longer be any official sailing lessons on Mondays unless you call an officer and arrange it beforehand. A good time to call would be the preceding Sunday night to arrange sailing for the following day.

Good news: anyone who drives their own car out to Lake Monticello with a group of people on the scheduled lesson days - Wed. and Friday, will be reimbursed \$ 3.00 by the club. Contact Judy, our treasurer, for your reimbursement at 979-7956. Please remember to form groups to go out to the Lake.

Cruising:

The fall cruise came through! Six people will be sailing on the Chesapeake Bay the weekend of October 24-26. Anyone interested in organizing another cruise at a later date call us.

People interested in the spring break Bahamas Cruise need to let the officers know, so please contact us soon. A deposit of \$ 100.00 will be due by January 25, 1981.

Racing:

There will be a Ragatta at Lake Monticello this coming Saturday, (Oct. 25). Lunch will be provided for all members. Plus, there will be a 'post' Ragatta party at 8:00 p.m. at Alan Marrullier's, (Lambeth 467 - 6). All members are urged to come, the usual beverages will be supplied. Members' dates are also welcome.

Movie News:

The movie Big Boats will be shown Wednesday, November 19, starting at 8:30 p.m. in Newcomb Hall's South Meeting Room. Bring your friends, admission is free.

Lastly, anyone having any suggestions about sailing, or who is dissatisfied with anything in the club, call Alan at 924-4880. If you need a membership list call Judy at 979-7956.

The weather is getting colder , so we hope to see many of you out at the Lake for some beautiful fall sailing.

Remember our Ragatta this coming Saturday!!
