

*****BAHAMAS CRUISE 1981*****

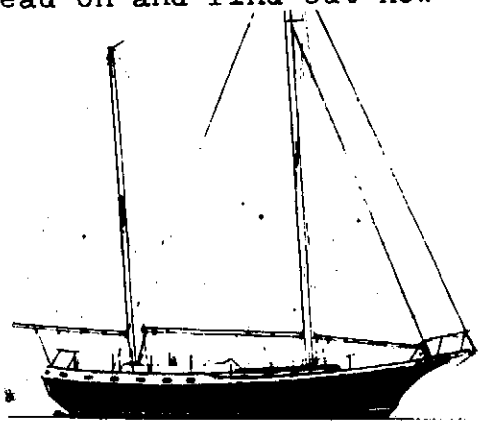

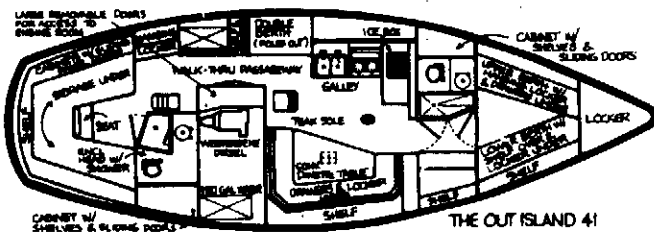

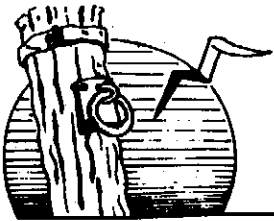

Imagine swimming and snorkling in crystal clear water. Basking in the warm Bahamian sun on a sandy white beach. Exploring deserted islands. Sipping rum punches in the afternoon and dancing to the calypso beat in the evening moonlight. You could be doing all of these. Just come cruise with us in the sunny Bahamas this spring.

We've got island fever once again. Leaving Saturday, March 14 from our charter companies docks in Ft. Lauderdale, we will set sail for Bimini and the surrounding islands. We will return to Ft. Lauderdale the following Saturday, March 21.

Our fleet will consist of six Coast Guard approved and inspected sailing yachts of the Morgan Out Island 41' design. This type of vessel is one of the safest and most comfortable for cruising in these waters. All boats carry the required safety and navigational equipment. Each boat will carry a crew of seven and a captain. All our skippers will be qualified and knowledgeable UVA students who will be approved by the charter company and who have experience sailing in the Bahamian Islands.

The boats will travel to and from Bimini in a group. One or two nights will be spent in a marina in Bimini and possibly Cat Key. The other nights will be spent anchored in protected coves. We will be living on the boats for the entire week. The yachts are fully equipped with complete galley, heads and showers. Berths are provided for everyone. All sailing, cooking, and cleaning will be done on a cooperative basis. Does this sound like the adventure you've been waiting for, well read on and find out how you can be a part of the fun.
