## Spring Newsletter -- 1987

### *Positive Vibrations. . .*

Although the snow is still on the ground and you haven't quite recovered from your New Year's hangover, springtime sailing is right around the corner. As soon as the weather warms up we will resume our Tuesday and Friday sailing trips to Lake Monticello. Again, we will be meeting on the steps of Mem gym at 2:15 to carpool out to the lake. Drivers are most appreciated, as usual. Watch for ads and short-takes in the Cavalier Daily some time in March.

### *Jammin'. . .*

The Sailing Association and UVA Sail Bahamas are sponsoring a party on Friday, February 6 at 9:00 at 4 University Circle Apt. #5. Come meet the association members, and, if you are going on the trip, scope out who might be on your boat!

### *It's a Rat Race . . .*

The 1987 racing season will open March 21-22 with Board Invite at Navy. If you are interested, call Alison well in advance. If you did not participate in the fall races, you will need to arrange for a swim test. Commander Barber will teach a Spring seminar on racing rules. Call Alison.

### *Spring membership. . .*

Those of you who have friends who wish to join for Spring 1987, the Assoc. dues are \$20 for one semester.

### *In the works . . .*

a garden cocktail party is being planned for April. You will be informed. . . hot, new Association t-shirts -- we are designing them. We hope to have them ready for the party in April (they're now at the attorney's office).

. . . if you are interested in getting more involved, possibly being an officer next year, let us know -- express your interest.
