UVA Sailing Association

**PARTY!** As your new social secretary, I at least have my priorities straight! First things first... **THE PARTY!** We'll be having our first Sailing Association party of this year on **Friday, Oct. 30**. We know this is Parents' Weekend, but ditch your parents and come on by to booze a little. Craig Shields has graciously offered his apartment (once again). He lives in **Wertland Commons**, 1303 Wertland St., in apartment A-2. Here's a little map just in case you don't know where that is: We'll be starting around **9:00**, so make a night of it, or stop by to catch a little buzz on your way to the corner of Rugby or whatever. See ya there!

**FALL BREAK:** Rumor has it that the windsurfers who went to Emerald Isle over Fall Break had a blast. The trip was a huge success thanks to Steve Malinchock and lots of wind.

**UVA SAILING ASSOCIATION**  
 136 Madison Ln.  
 Charlottesville, VA  
 22903

**THE REGATTAS:** Well, our racing crew participated in three regattas so far, and has one more to go: the Windsurf Invite at Navy, the Sloop Elims with J-24's at Navy, and the St. Mary's Invite with FJ's at St. Mary's. They might not have come home with any trophies, but at least they had fun! This weekend, they'll race in a Dinghy Elim in Georgetown. Good luck, guys!

**NEW BOATS:** We have two new boats this year! Steve Hanson bought a 13' one-man dinghy and a 16' two-man day-sailor and will probably buy more new boats for the club over Christmas Break. If you have any contacts for new boats, please call Steve.

**MEMBERSHIP:** By the way, if you have a star by your name on the phone list, we don't have a record of your dues being payed. If there's a problem, please call Paul or Laura. If you planned to join the club and haven't (paid -- to be blunt) yet, it's not too late! Come by the party and talk to one of the officers or give one of us a call. You've missed out on some beautiful days on the lake this fall, but they'll be more, and there's always next spring!

**LAKE NEWS:** Colder days may be making those sailing trips less tempting, but it's still gorgeous out there. The last day for you die-hard sailors will be **Sunday, Nov. 29**, when the officers (and any other wonderful volunteers) will put away the boats and lock up the box. Speaking of the box, please remember to straighten it up when you put your equipment away. Other than that, have a blast and see ya at the lake!
